Dear Mr. McCarthy:

By letter dated January 30, 2017, I rejected the Employer's January 26, 2017 supplemental submission, including Position Statement and Exhibits, on the basis that the submission was untimely. Pursuant to further administrative discussions, I have been notified that these supplemental documents, which are normally part of the official record, were not included in the record. Accordingly, our office will now accept these documents and forward them to the Board for further consideration.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
